WHAT IS TIME?

How long is an hour? That sort of seems like a silly question to ask, because the chances are that you are going to quickly answer: Sixty minutes. Now how long is a minute? You will tell me: Sixty seconds. But think for a little while about the idea of time. All you have told me is that an hour can be subdivided into sixty parts. And that a minute can also be subdivided into sixty parts. Often when we are asked to explain something we just give it another name and think that everything is now answered.

So let's use some common sense about the idea of time. If you are having a wonderful time, then an hour goes very quickly. But if you should be bored and annoyed, even ten minutes can seem a year. I guess most of us have had the kind of experience with which we can do without. I once had a big stock of wavy black hair. I have the hair and it's still wavy, but it has turned completely snow white.

My brother, Frank and I went to high school together. We were in the same grade. He did well with the academic course. I just couldn't do algebra or learn French. I wanted to work with my hands. I had built a ship's model that took first place in the school contest. So with the permission of my parents and of the principal, I shifted to the trade course.

When I graduated from high school I took an extra year in a trade school. Then I served as an apprentice with an excellent mechanic. By the time I was twenty-three I was earning never less than a hundred dollars a week. I had my own car and when you are single money can go a long way.

Then I heard that the Winston Chemical Company was looking for first class mechanics. I communicated with them and an interview was arranged. First I met their personnel manager. Then I met my supervisor. His name was Bill Jenkins and was about twenty years my senior.

"Dave Garten you look like a fellow who is going to go places. Some might say you are a bit young for the job. But I think I know a good man when I see one."

So I gave my boss notice, packed my things and left my home town. I had a room in a private home and ate my meals out. But only at the start. Bill Jenkins liked me a lot. He invited me to his house. I didn't have the slightest idea he had such a pretty daughter as Alida. So I came again and again. Then the two of us went out. We sort of had an understanding.

I opened a special savings account and put my overtime checks in it. Alida began to save up for the wedding trousseau. Without just saying it, we knew we would get married the coming June. What more could a fellow ask for? — a good job, his future father-in-law as his supervisor and a wonderful girl. The world was mine. I felt fine.

Look, let's get this straight. I'm not a superstitious guy. I know a lot of people are that way. They will tell you: Beware when things look wonderful and easy. That's the time trouble is around the corner. But I have enough sense in my head to understand that a lot of people over the centuries have felt that way.

Then several events happened that scared me. It looked as though disaster was aiming straight for me, but only to turn around at the last second. Take the day I drove out with Alida to Crescent Beach. We were going south on highway 23a. We passed a field with beautiful flowers.

"Slow down a second, Dave," suggested Alida. "I just want to look at those pretty flowers."

That I did and it saved our lives. For a car coming north on the road went out of control. It jumped the lane and smashed into the car ahead which was going at a fast speed. We did our best to help the people and the state troopers came in a few minutes. Then they sent out

the call for the ambulances.

I broke into a cold sweat. Alida wanted to know what was wrong.

"If I hadn't slowed down," I pointed out to her, "when you asked me to do so, we would have been the victims."

That was event number one. Let me tell you about the second event. I went window shopping on Main Street — taking a look at the displays in some of the fine jewelry stores. I was thinking of getting Alida an engagement ring. I knew I didn't have the cash to meet the price tag I saw on one ring, but something inside of me sort of said: Go in anyway.

I went to the back of the store. I must have taken only half a minute at the most, but just then a big cornice stone fell down from the roof of the building. It crashed just where I had been standing. I suffered from shock and fainted. The realization that Death had almost claimed me was just too much for me to take.

The third event happened right down in the basement of the house in which Alida lived. Bill Jenkins was looking for some documents. So I helped him go through two very old trunks. Then he lifted an old pistol up from the bottom of the trunk.

"Ever tell you that my great grandfather was a colonel in the army of the Confederate States of America?" he began. "I remember this gun. It's broken — an old cap and ball affair."

Then like a young kid he began to wave it. I had enough sense to remind him of something.

"You are right," he replied. "Sorry for acting like a kid."

He did something he could never explain and in one second of carelessness. He threw the pistol into the trunk and somehow I ducked. There was a loud blast as a solid lead ball went in the direction of where my head had been — just one second before!

No, I didn't faint. I just remained there as though in a trance. Three times Death had been so close that only the time interval of about a second accounted for the fact that I was alive. I got up and went upstairs. Alida saw something was wrong and her father explained. She cried and hugged me tight.

"I don't want anything to happen to you. Please be careful."

I was exceedingly careful for the next month. Then it began at 3:30 on a Wednesday afternoon. We had four glass lined chemical tanks out in the yard. Each was separated from the other by one hundred feet of dirt and gravel. Each tank was about twenty-five feet in diameter and about one hundred feet in length. Bill Jenkins wanted to go down into tank number two to test the filter. The tanks were empty. In an hour they would start to fill them up with acid. He looked pale.

"What's the matter?" I asked.

"I feel a bit dizzy," he replied.

"So sit down," I suggested. "All I have to do is open the top of the tank. Go down the rope ladder, flash the light and see if the filter is clean. I'll be back in a jiffy."

I opened the top of the tank and climbed down slowly to the bottom of the tank. I flashed the light. The filter was o.k. Then I stumbled. My light fell from my hand and went out. I was in the dark. I reached for the rope ladder but couldn't find it!

I got so scared I can hardly describe it. What if Bill Jenkins had fainted and they took him away? He wouldn't tell them where I was and they would start to fill the tanks. I began to shiver and go to pieces. Then it happened. A peculiar sort of bluish light hit the inside of the tank. I saw another person — my duplicate.

"Aren't you ashamed of yourself?" questioned the other me. "You can see your searchlight right next to your left foot. Pick it up and push the switch. Then go directly to your right and you will find the ladder."

Automatically I did exactly what I was told. I climbed up quickly and there was Bill Jenkins out cold! I lifted him and carried him to the clinic. Just in time it seemed to save his life. He had a mild attack but alone he would have died. Then the doctor took one look at me.

"Your hair is completely white. What happened?"

Is there an answer to all of this? I wrote to my brother and related everything to him. He informed me that he had been having dreams I was in trouble. Could it be that somehow his astral body came to help me? Or was the other "me" just a projection of myself. One psychologist suggested my Ego and I were talking to each other. As a religious man I think I would prefer to say that somehow I was warned that there was no danger to myself. I'm not saying by whom or even how.

All this took place five years ago. Alida and I were married and we now have two children. But still a lot of things happen to me that best can be described as "close shaves." There was the day I agreed to work in the mixing plant. But my younger baby was sick so I went home. The mixing plant blew up. Then last year there was the affair with the MARY-Q. That's the fishing boat that turned over. I was supposed to be on it. When I got to the pier the boat had pulled out. It didn't come back for me. It never came back.

I no longer have frightful fears. I accept all this calmly, but still . . I wish I knew what it was all about?

BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

Mike Marvel

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat—my secret DYNAFLEX method will cram pep, vigor and rod-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glowing with magnetic sex-appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works—and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!"
L. C., New York City.

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique."
E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX."
F. B., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do girls laugh and titter or grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that cave-in chest and build on six rugged inches of strong steel MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercises, NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unhealthy, unbecoming FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up, fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES—bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coiled steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX-APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods.

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building! It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in two minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX creates each muscle in your body to bring out its round, steely fullness and utter symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy. FAST! In two minutes a day I can sweep your body frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day. There's nothing wrong with the bar-bell and weight-lifting method . . . but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough steely sinews, a narrow waist, slim hips and springy, power-packed legs. Girls go for a fellow with TWO-FISTED BIG MUSCLE SEX-APPEAL! And they only laugh at skinny boys or "fatso's".

Let me give you a gloating new body, brimming over with energy and irresistible inches of solid muscle at your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A loin that rock-solid punch-proof midsection. Pack your body with energy and thrilling stamina that will have girls falling at your feet.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. You, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN-MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when the girls crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

Your Pal,
